

Haras de Hus

CONDITIONS OF USE :

- Price: €300 excl. VAT per ICSI; to be paid upon signature of this contract and before the ICSI.
- 400€ excl. VAT per embryo produced (frozen or reimplanted directly). The buyer undertakes to inform the seller of each embryo produced.
- Semen only available for ICSI (Intra Cytoplasmic Sperm Injection) in certified center in Europe.
- Semen already available in Italy at AVANTEA. If the semen must be sent to another center, the shipping costs will be at your expense.
- Payment can be made by check, by transfer to IBAN: FR76 3004 7141 3100 0847 1970 193 and BIC: CMCIFRPP or by credit card. Do not hesitate to contact us for this last method of payment.

USEFUL INFORMATION:

Semen order: The sending of semen is not automatic. Once the booking fee has been paid, you must contact us at least 7 days in advance to let us know when the semen should be sent to the chosen center.

Declaration of birth: Contact us the year of the implantation of the embryo in order to obtain the documents.

DON JUAN can produce in: HAN, OLD, SF, Z

This contract cannot benefit from any discount.

TERMS OF SALES :

Haras de Hus declines all responsibility in the event of a problem concerning the sending of semen by a transport company. In the event of a complaint, this must be made to us on the scheduled day of delivery.

A mating card must be requested in the year of implantation of the embryo in the recipient mare. In the event of a late declaration, all late fees will be borne by you.

This contract is without live foal guarantee: Haras de Hus cannot be held responsible if there is no viable foal. No reimbursement can be demanded.
